Dear Parents at the St. Peter Academy,

Welcome. We are Simply Gourmet, a catering company that specializes in lunch services to children. Our meals are nutritionally balanced, delicious and kid friendly. Nothing is fried and our products are free of nut ingredients. Meals are individually packed in recyclable cardboard lunch boxes for each student.

We proudly offer an entire line of “wholesome” meal options which have no GMO’s, no artificial ingredients, no growth hormones and no Trans fats and all products that we use are nut free.

We will be providing an optional lunch service to your school, every Monday, Tuesday, and Thursday. The meal includes an entrée, side and produce serving. The price for this meal is \$5.00.

How it works: A variety of selections are offered daily. Each component of the meal may be customized as there are several alternate options offered, including gluten free, vegetarian, & organic choices. (Click on the “edit this day button” to view your options.) New orders, and/or changes to existing orders, must be placed at least three days in advance of the day you would like to receive service. This is referred to as our “72 hour lock out period”. Please keep this in mind when you are placing your orders.

Order processing is automated by visiting our web site: [www.SimplyGourmetLunches.com](http://www.SimplyGourmetLunches.com)

Simply log in, create an account to place orders for your child. There is a \$1 handling fee per financial transaction. Note: The \$1 handling fee is charged per order, not per child. We suggest you place a lunch order for several days at once to keep this fee to a minimum. For Example, place a month’s worth of lunch orders for the whole family at the beginning of the month. You can edit at anytime. We offer a 3% multi-child discount. You need to call to have it applied. We place a 50% credit to your Simply Gourmet account for snow days.

Our web site offers information on nutritional values, allergy listings, catering services and general updates. If you have any trouble navigating through our website, feel free to contact us and we can “walk” you through the process. The upcoming monthly menu is posted by the 15<sup>th</sup> of each current month. You will receive email reminders once you are registered in our system. We look forward to serving your children!
